

PRASAD SHIVRAM GANGURDE

Business Development | Sales Management | EV Charging Infrastructure

Mumbai, Maharashtra 400604 | +91 8169132670 | work.pgangurde@gmail.com | [linkedin.com/in/prasadgangurde](https://www.linkedin.com/in/prasadgangurde)

PROFESSIONAL SUMMARY

Business Development professional with 5+ years of experience in revenue growth, market expansion, and B2B/B2C/B2G sales across the EV charging infrastructure sector. Track record of closing multi-crore accounts, building institutional relationships with fleet operators, CPOs, OEMs, and government bodies, and managing complex sales cycles from lead generation to contract execution. Holds a Mechanical Engineering background that supports technical product positioning in charging hardware and EVSE markets.

CORE COMPETENCIES

Business Development & Sales

- Market Penetration & Territory Expansion
- Revenue Growth & Sales Forecasting
- Partnership Development & Key Account Management
- Lead Generation & Conversion Optimisation

Leadership & Management

- Cross-Functional Team Leadership
- Stakeholder Relationship Management
- Process Optimisation & Workflow Design
- Performance Reporting & Pipeline Management

Technical & Analytical

- EV Charging Hardware (AC/DC, CCS2, OCPP, ISO 15118)
- Project Estimation & Risk Assessment
- Market Research & Competitive Analysis
- Policy & Regulatory Framework Navigation

Client Relations

- Consultative Selling & Solution Design
- Customer Retention & Contract Management
- Negotiation & Deal Structuring
- Industry Advisory & Thought Leadership

PROFESSIONAL EXPERIENCE

Sales Manager

February 2026 – Present

SIRI Electromotive Pvt. Ltd., Mumbai

- Product Sales:** Manage end-to-end B2B sales of the SIRINX AC and DC fast charger range (11 kW to 360 kW) across fleet operators, CPOs, workplace clients, and OEM segments
- Market Development:** Build and qualify a strategic account pipeline across electric bus OEMs, truck OEMs, and commercial fleet operators aligned to the PM E-DRIVE scheme and CESL tender mandates
- Technical Positioning:** Position SIRI's SiC-based DCFC hardware on efficiency (>95%), thermal tolerance, CCS2/GB/T compatibility, and OCPP 1.6J/ISO 15118 compliance against competing CPO hardware vendors
- GTM Execution:** Execute go-to-market plans across Fleets, Retail & Hospitality, Residential, and Energy Storage verticals, coordinating site surveys, commercial proposals, and order closures
- Internal Coordination:** Coordinate with product and engineering teams to relay field requirements into the SIRINX-NBD product roadmap and respond to tender technical specifications (CESL, STU, FAME-III)

Independent Business Consultant · Revenue Head (Ayka Control Systems)

February 2025 – February 2026

Freelance Consulting & Revenue Leadership, Mumbai

- EV Advisory:** Provided paid consulting to EV charging infrastructure companies on market entry, site selection, and operational setup across Maharashtra
- Real Estate Integration:** Coordinated with real estate developers and housing societies to integrate EV charging infrastructure into new and existing projects
- Regulatory Compliance:** Mapped client projects to Maharashtra State Electric Vehicle Policy requirements and liaised with approval authorities to clear regulatory bottlenecks
- Training & Education:** Conducted paid training sessions for Resident Welfare Associations on EV charging infrastructure; delivered a certified lecture at Vivekanand Education Society's Faculty Development Programme, addressing 150+ faculty members
- Revenue Leadership (Ayka):** Simultaneously held the role of Revenue Head at Ayka Control Systems, where revenue generation strategy, BD pipeline, and sales team targets were managed across all organisational verticals
- Team & Sales Management:** Set quarterly revenue targets, tracked pipeline metrics, and reviewed team performance against KPIs to maintain consistent output

Senior Business Development Manager

August 2024 – February 2025

Bolt.Earth, Mumbai

- Enterprise Sales:** Acquired and managed 15+ enterprise accounts across multiple industry verticals, contributing to sustained revenue growth
- Key Deal:** Closed a contract for 400+ EV charger units valued at Rs. 16+ Lakhs, one of the highest-value deals in the region during the tenure

- **Market Penetration:** Opened new market segments through channel partnerships and direct outreach, establishing Bolt.Earth's footprint in previously under-served verticals
- **Regulatory Advisory:** Provided clients with guidance on EVSE compliance, installation standards, and state EV policy requirements, strengthening post-sale relationships

Business Development Manager
February 2024 – August 2024

Tecso ChargeZone, Mumbai

- **Territory Planning:** Built an expansion roadmap covering highway corridors and urban commercial clusters across Maharashtra; empanelled 8+ sites on national highways
- **Market Assessment:** Conducted competitor mapping and demand analysis, identifying 20+ new business opportunities across target geographies
- **Process Improvement:** Redesigned the lead qualification and follow-up workflow, reducing average sales cycle duration and improving conversion rates by 25%

Assistant Manager – Sales & Programme Manager
August 2022 – February 2024

Lubi EV Solutions, Mumbai

- **Sales Operations:** Managed the full sales cycle for the Mumbai and Goa region, including key account management, proposal preparation, and order closure
- **Government Accounts:** Penetrated PSU and government body segments including CPWD, securing institutional accounts that expanded the company's B2G portfolio
- **Target Achievement:** Consistently met or exceeded quarterly revenue targets at 95%+ achievement rate across 6 consecutive quarters
- **Team Mentoring:** Guided 3 junior sales executives on product knowledge, CRM usage, and account management practices
- **Forecasting & Reporting:** Prepared monthly pipeline and revenue forecasting reports for senior management with less than 8% variance from actuals

Business Development Executive & Sales Specialist
February 2020 – August 2022

Magenta Mobility, Mumbai

- **Market Research:** Conducted sector-by-sector demand analysis and competitor benchmarking to prioritise sales territories and segment-specific pitches
- **Pipeline Management:** Built and maintained a structured sales funnel from cold outreach through negotiation and closure, achieving consistent month-on-month conversion
- **Cross-Sell Revenue:** Identified upsell and cross-sell opportunities within the existing client base, increasing average deal size over the tenure
- **Project Estimation:** Prepared detailed cost estimates and technical proposals for large-scale EV charging deployments, maintaining estimation accuracy within 5% of actual project costs
- **Risk Assessment:** Flagged project-level cost and compliance risks during pre-sales, enabling the delivery team to plan mitigation measures before contract sign-off

EDUCATION

Bachelor of Engineering – Mechanical Engineering University of Mumbai 2016 – 2019	Diploma in Mechanical Engineering Maharashtra State Board of Technical Education (M.S.B.T.E.) 2013 – 2016
---	---

KEY ACHIEVEMENTS

95%+ Quarterly Target Achievement Met or exceeded revenue targets across every organisation held over 5 years, with no quarter below 95% of assigned quota	400+ Unit Deal – Bolt.Earth Closed the largest single EV charger deployment contract in the region during tenure, valued at Rs. 16+ Lakhs
25% Conversion Rate Improvement Redesigned lead qualification and sales workflow at Tecso ChargeZone, improving pipeline-to-closure conversion by 25%	150+ Faculty Trained – Certified Lecture Delivered certified paid lecture on EV charging infrastructure at Vivekanand Education Society's Faculty Development Programme
8+ National Highway Sites Empanelled Identified and onboarded 8+ strategic charging sites on national highway corridors within a 6-month tenure	50+ Institutional Stakeholder Relationships Maintained active relationships with decision-makers across fleet operators, CPOs, government bodies, and real estate developers

TECHNICAL PROFICIENCIES

EV & Charging Domain

AC/DC Chargers, CCS2, GB/T, OCPP 1.6J, ISO 15118, AIS-156, MID Metering, EVSE Compliance, PM E-DRIVE, FAME

Technical Skills

AutoCAD, Project Cost Estimation, Technical Proposal Writing, Specification Analysis

Business Tools

CRM Platforms, Sales Analytics, Pipeline Management Tools, MS Office Suite (Excel, Word, PowerPoint)

Analytical

Market Research, Competitive Benchmarking, Revenue Forecasting, Performance Reporting
